Charlie is a good Democrat, a good citizen and a good fellow, and if President Cleve-land had always made as good ap-pointments, his administration would have been beyond criticism.

At the council meeting last Thursday night Mr. W. F. Gilbert tendered his resignation as councilman from the Fourth Ward. As Mr. Gilbert was considered one of the ablest and most efficient members of the council his resignation is very generally regretted. It will be hard to fill his' place with as prompt, energetic and serviceable a councilman as he has been. A special election to fill the vacancy has been ordered.

City Journal of June 20th: There has been no divided opinion upon the superior merits of Signora Linda Brambilla; her voice in song is entrancing, it is marvelous, it is phenomenal, it is truely a gift from heaven, and wields a pure and rest-ful influence. Brambilis is a pleas-ing contrast to other acknowledged queens of song. The large posters for the celebration have arrived and now the small boy's face assumes the expression of a Kentucky cave, as he thrusts both hands in his pockets and visions of fire crackers, sky-rockets, Roman candles and balloons dance before his eyes and heartily he claps his hands for joy as he thinks of covering the front porch with torpedoes for the amusement of his big sister's beau as he stands on the front porch saying good evening.
